

KEIM

KEIM INNOTOP®

THE ALLROUNDER FOR INTERIOR APPLICATION.
MINERAL PAINT CAN BE SO EASY.

KEIM Innotop –

KEIM Innotop has an excellent consistence for corners and edges. The paint has a particularly easy flow and high yielding. Fantastic!

KEIM Innotop has great hiding power. The paint is very easy to apply and to smooth out. It makes work fun.

KEIM Innotop – top easy - top safe!

Open the bucket – paint – ready!

KEIM presents the new sol-silicate paint for interiors: Innotop - top easy and top safe.

KEIM Innotop makes painting really enjoyable. Suitable for render, plasterboard, old paint coatings, woodchip wallpaper, new and old substrates, wall and ceiling, living and working areas.

KEIM Innotop is the **new top star** among the allrounders for interiors.

By the way: Of course, KEIM Innotop provides all the advantages and properties of an interior silicate paint like all KEIM paints.

Easy application, safe result

Convince yourself of KEIM Innotop's high-performance.

The pleasant whiteness, the amazingly simple workability and last but not least a fantastic painting result will for sure get you totally enthusiastic about.

top easy – top safe

Enjoy the safe result: uniform and streak-free. That's great.
